

Model: AF400UK Tundra Fire Extinguishing Spray

Small and easy to store the Tundra extinguisher spray is perfect for untrained users to use on common domestic fires. Tundra uses non-toxic, biodegradable fire fighting media that can be easily cleaned up after use.

Product features:

- Can be used on wood, paper, fabric, cooking oil and electrical equipment safely
- 4 times longer discharge than a standard traditional extinguisher equivalent
- Easy to use and self-intuitive design
- Perfect design for non-trained users
- Non toxic, bio-degradable media
- Easy clean up after use

Tundra has been tested to the qualified fire performance requirements of BS 7937: 2000 (Class F) and UL 711A Cooking Oils, KOFEIS 0108 (Class A) Trash Can, Curtain and Cushion Fires and UL 711 Electrical Conductivity (Class E) up to 35,000 Volts by independent third party testing laboratories.
